KLE V.K. Institute of dental sciences, Belgaum

Since 1985.....

BRIEF HISTORY

Dental Science is an area that has gained tremendous recognition in recent years. The ratio of qualified Dental Surgeons is very low as compared to other Medical Faculties. This prompted the K.L.E. The KLE.V.K.Institute of Dental Sciences was thus set up in August, 1985, within the vast 113 acre campus of the Jawaharlal Nehru Medical College. The Institute got off to a flying start under the leadership of the Late Dr. S. S. Khera, its first Principal.

The Dental Council of India gave approval for the BDS course in 1989 and since then the Institute has come a long way and has gained numerous accolades.

The K.L.E. Society started Post-Graduate courses in Dentistry in the year 1990. Today it exalts in rendering Masters degree in all branches of Dentistry. All the courses are approved by Dental Council of India.

Today, the Institute boasts of an accomplished faculty and numerous departments. All the laboratories and clinics are spacious, well furnished and have every sophisticated equipment and gadget – both indigenous and imported to facilitate an excellent environment that is conducive for learning.

In keeping with a fine tradition that fosters professional education, the Institute has distinguished and experienced faculty.
